SUBJECT: INTERNET ADDITION—EMPLOYMENT TRAINING NETWORK

The purpose of this Information Bulletin is to announce a new item on the Job Training Partnership Division's Web page. We have added information about services the Employment Training Network (ETN) offers to Service Delivery Areas.

The ETN provides peer consultant services for SDA staff and also maintains a lending library that includes a wide range of JTPA resource materials. Such materials include books, manuals, videos, and other training materials.

The ETN also publishes a newsletter—*Information Exchange*<sup>3/4</sup>that provides monthly training calendars as well as updates on current available events and services. These ETN services are available to JTPA-funded agencies free of charge.

A description of these services and the *Information Exchange* newsletter can be found on the employment and training community web page:
